

Cindy Chang

Front-End Designer

Experience

Freelance / Front-End Designer

2018-present

I currently design and develop websites for clients and help with any front-end or graphic work for clients with existing websites.

Domino Data Lab / Creative Lead

2016 - 2018

I was the creative lead for the marketing team, working directly with the CEO and main stakeholders. I designed, developed and maintained the corporate website, blog and event websites. I also assisted in UX/UI product design, and graphic design for all collateral and events.

Volunteer + Freelance / Graphic + Web Design

2014-2016

Spent a year in Southeast Asia traveling and volunteering as a graphic and web designer for organizations in women's development, LGBTQ and youth development.

Industry44 / Lead Web Designer

2011-2014

Designed custom client websites, UX/UI for mobile apps and graphic design for web and print. Assisted in project and client management.

The Pulse / Head of Visual Communications

2009-2011

In charge of web and graphic design for entire company.

Education

San Francisco State University

Marketing Communications, 2002
